

ERRATUM in the Master's thesis:

*Integrated groundwater-surface water model to manage springs, streams, lakes and
fens: conditions in Kälviäsvaara case, Finland*

Anna Jaros, 12.1.2016

Page 49, Table 3.

Due to misspelling, the saturated hydraulic conductivity K_Z (ms^{-1}) of sand soils is incorrect. The value should be 2×10^{-6} .
